To Whom It May Concern,

I write this letter of recommendation to you today to give my utmost support for Hyewon Joo her journey towards new internship. Hyewon is a natural leader amongst her peers and a dedicated student within her own academic focus. Hyewon studied English at our school in TALK Boston from June 10, 2017, until July 22, 2018. She began On-campus Part-Time Enrollment Specialist position on December 4, 2017.

As an Enrollment Specialist, Hyewon assisted in sales, marketing, planning, implementing, and leading various activities for the students at the school. She took it upon herself to lead these programs and was organized and thorough during these social activities. Hyewon, through her time as an Enrollment Specialist, always maintained her own academic development and passed each quiz and final exam with excellence.

I am confident that Hyewon will excel at any positions in any company. Combining her academic and professional experience in the United States and in her native Korea, I give the highest recommendation for her at this time.

Sincerely,

Dzmitry Razalyeu
Director of Field Marketing
