

Letter of Recommendation

October 05, 2021

28, Nonhyeon-ro 98 gil
Gangnam-gu, Seoul, South Korea

To whom it may concern:

I am very pleased to recommend Hyewon Joo. Hyewon Joo worked as a front-end developer at Studiomate, and I worked closely with Hyewon Joo over the past few months while also serving as development director. At that time, Studiomate service developed a new mobile application for members in React and React Native, and Hyewon Joo, as the main developer here, successfully completed her work from the start to the launch of the app.

At that time, Hyewon's job was the very challenging task of analyzing the existing native code (kotlin, swift) and converting it to React code. In doing this work, Hyewon showed excellent analytical skills and pursued the developing work with a very responsible attitude. In addition, she actively communicated with GUI designers and backend developers, and actively led the communication in the process of finding solutions with colleagues when faced with difficult problems.

Hyewon showed outstanding work performance through her professional knowledge about her work, her attitude to research, responsibility for her work, and her attitude to actively collaborate with colleagues. As a result, the Studiomate application for members was successfully launched in the market.

The period of working with Hyewon was very dynamic and enterprising, and our service was able to create great results.

I am sure Hyewon will be a good colleague for your company as well, and I highly recommend Hyewon Joo.

Please feel free to contact me if you have any questions about Hyewon Joo.

Regards,

Seungwook Lee (swlee@studiomate.kr)
CEO

Letter of Recommendation

To whom it may concern:

주혜원님을 추천하게 되어 매우 기쁘게 생각합니다. 주혜원님은 스튜디오메이트에서 Front-end 개발자로서 일하였으며, 나는 개발 디렉터 겸직을 하면서 지난 수개월간 주혜원님과 가깝게 일하였습니다. 당시 스튜디오메이트 서비스는 회원용 스마트폰 어플리케이션을 리액트와 리액트 네이티브로 새로 개발하였으며, 주혜원님은 여기에 메인 개발자로서 시작부터 앱출시까지 성공적으로 업무를 완수하였습니다.

당시 혜원님이 맡았던 일은 기존의 native(kotlin, swift) 코드를 분석하여 react로 전환 개발하는 매우 challenging 한 업무였습니다.

이 업무를 하면서 혜원님은 탁월한 분석 능력을 보여주었으며 매우 책임감 있는 자세로 개발을 하였습니다. 또한 GUI 디자이너와 백엔드 개발자들과 적극적으로 커뮤니케이션하였고, 어려운 문제에 봉착하였을 때 동료들과 함께 해답을 찾는 과정에서도 적극적으로 커뮤니케이션을 리드해 나갔습니다.

자신의 일에 대한 전문적인 지식과 탐구하는 자세, 업무에 대한 책임감, 동료들과의 적극적으로 협업하는 자세를 통해 혜원님은 탁월한 업무 성과를 보여주었고, 스튜디오메이트 회원용 어플은 성공적으로 시장에 런칭할 수 있었습니다.

혜원님과 함께 일한 기간은 매우 역동적이었고 진취적이었으며, 훌륭한 성과를 창출해낼 수 있었습니다.

귀사에도 좋은 동료가 될 것임을 확신하며, 나는 혜원님을 highly recommend 합니다.

Please feel free to contact me if you have any questions about Hyewon Joo.

Regards,

Seungwook Lee (swlee@studiomate.kr)
